ORDER

A public hearing regarding the above captioned matter was held on March 3, 2009, in Dubois, Illinois. This matter was set to receive written comments until the closure of the record on April 2, 2009. Since the hearing, the Illinois Environmental Protection Agency has received two requests for an extension of time to file comments and over 500 comments have been filed electronically. Due to the overwhelming interest in this matter, the comment period is being extended until midnight May 4, 2009. Comments must be postmarked before midnight on May 4, 2009, to be accepted as part of the record.

The Hearing Officer, pursuant to the authority set forth under 35 Ill. Adm. Code Section 166.191, hereby grants the requests to extend time for filing public comments until May 4, 2009.

Dated: March 31, 2009
